PEOPLE'S TABLE - A BIG THANK YOU

I want to thank all of those that helped with the People's Table at First United Methodist church each of the first four Fridays in January. I'm deeply grateful for everyone's assistance in providing the food, preparing the food, serving the food to the patrons of the People's Table at each of their tables, and mopping and washing all the pots, pans and utensils used, and wiping down all the surfaces in the kitchen during and afterward the meal is served. Also, thank Fr. Chris for always be there to visit the patrons and saying the blessing before the meal is served. We served 499 plates total in January. If we had any food left afterwards, we took it to **Place of Hope** on James Campbell Blvd. St. Peter's could not do this valuable service to the community without all the volunteers each week and the financial assistance to purchase the food provided by the donations of the parishioners of St. Peter's to the People's Table account. The next time St. Peter's serves will be the first four Fridays in May 2023. Please don't hesitate to contact me is you have any questions or concerns about the People's Table.

Thank you,

Joann Belcher
